Re: S. & G., Inc. v. State Engineer,
Case No. 860555

Dear Mr. Butler:

Pursuant to Rule 24(j), Rules of the Utah Supreme Court, this letter is to cite the Court to supplemental authorities in the above-referenced case, which is set for argument on June 13, 1989.

We would cite to the Court the cases of Waste Management of Wisconsin, Inc. v. Wisconsin Department of Natural Resources, 424 N.W.2d 685, 687-689 (Wis. 1988), and Northwest Datsun v. Oklahoma Motor Vehicle Comm'n, 736 P.2d 516, 519-520 (Okla. 1987). We believe these cases support our arguments on the "standing" issue set forth in Point I(b) of our brief at pages 16-17.

The Waste Management case was decided after the filing of our brief. Northwest Datsun was decided approximately 3 weeks prior to the filing of our brief and was not then reported.

Your assistance in bringing these cases to the Court's attention would be greatly appreciated. Thank you.

Very truly yours,

MICHAEL M. QUEALY
Assistant Attorney General
